About

Passionate front-end web developer with a talent for crafting visually stunning and user-centric digital experiences using the power of ReactJS. Proficient in HTML, CSS, and JavaScript, I have a proven track record of designing and optimizing websites that captivate and engage users. Adept at seamlessly transforming design concepts into fully functional responsive websites.

Education

2021 – 2023 | **Bachelor's Degree in Information Technology,** *Syrian Virtual University (SVU)*
an upgrade from Diploma in Computer Engineering Technology

2018 – 2020 | **Diploma in Computer Engineering Technology/Technician,**
